

No. 2677-62 TOSCANA ALABASTER TABLE LAMP

Natural alabaster stone slice with brass details topped with a white textured rectangle shade and matching brass finial. Alabaster is sourced from a rare mineral created from a metamorphic rock formation process. The white smoke color is natural and may slightly vary piece by piece. Simple assembly is required.

Overall Dimensions: 9"w x 6"dp x 25.75"h
